

Martin County Quilters May Meeting

Meeting: The meeting was called to order at 7 pm by our president, Kristy Jenney.

Program: The topic of tonight's program was Applique. It was presented by our own talented members Dori Hawkes, Kathy Rentz, Carol Cheek and Margy Merle. They each had a station, where they demonstrated different methods of appliqué; hand, needle turn, reverse, fusible and machine, along with tools of the trade for each type.

President's Announcements:

Welcome Guests. We are now at 78 members.

Happy Birthday to Members: Dottie B, Rozann, Karen G, Dori H, Sandi McM.

New Business:

2 Thank you cards were received and were read to the group. They were from Hibiscus Children's Center, which has received 20 quilts, and from the Summerfield Sewing guild, which used donated fabric to make layette items.

For those who do not have email, printed copies of the new Directory are available.

New MCQG pins are available!

Program Committee detailed the content of upcoming meetings. In June, different Guild members who have been to recent Quilt Shows will describe highlights of those shows and show some pictures. In July, we will again be playing Bingo. Instructions for Bingo blocks were emailed by Kathy Rentz, and will be available at the June meeting for members who do not have email. In August, we will have an embellishment night, with hot fix crystals and other fun things, with Tina Settla and Eyvonne. In September, Michele Sanandajian will have a trunk show of her work.

.Old Business:

Terri Hara appealed to the group for solid color fabrics to make quilt backs.

Reminders were given for the Fabric Challenge. Fabric is still available, and the Jam Patch has discovered that there are 2 new colorways of the Challenge Fabric available.
